PECS® Certification Program™

Validate Knowledge & Demonstrate Competency in PECS Implementation

Terms and Conditions

Individuals entering the PECS Certification Program must acknowledge and agree to the following terms and conditions:

Certification & Restrictions

I understand that the PECS Certification Program is a process to verify and validate my competency in PECS implementation. Completing the certification program **does not permit me to train others** in the implementation of PECS, and/or conduct workshops or training on PECS or the Pyramid Approach to Education, for free or for profit. Obtaining PECS Implementer Certification qualifies one to implement PECS with learners and show a co-worker or parent how to implement a phase of PECS as it relates to a common learner.

Use of Approved Titles

Individuals that obtain PECS Level 1 Certified Implementer status may use the title "PECS Level 1 Certified Implementer" as a professional description on resumes, curriculum vitae and/or professional biographies. Individuals that obtain PECS Level 2 Certified Implementer status may use the title "PECS Level 2 Certified Implementer" as a professional description on resumes, curriculum vitae and/or professional biographies. Individuals that obtain PECS Certified Manager status may use the title "PECS Certified Manager" as a professional description on resumes, curriculum vitae and/or professional biographies. The use of any titles (e.g. PECS Consultant, PECS Expert, PECS Trainer) that suggests an affiliation with, or employment by, Pyramid Educational Consultants*, is strictly prohibited.

Reproduction and Use of Materials

The materials associated with PECS Certification Program are for individuals who are enrolled in the program only. Individuals may not duplicate, resell, transfer, redistribute, alter and/or reuse any materials. This also applies to any and all materials printed from the online portal. All materials in this program and the content on www.pecs.com, www.pecscertification.com, and www.pyramidonlinelearning.com are the intellectual property of Pyramid Educational Consultants and may not be reproduced without prior written permission from Pyramid Educational Consultants. All rights reserved.

Submission Guidelines

Examination Requirements

Three (3) consecutive hours are provided to complete the examination. A score of 90% or greater is required for successful completion. If a score of 90% or greater is not achieved, the test may be retaken one (1) time at no additional charge within two (2) weeks of the original examination. If successful completion is not achieved on the second time, re-enrollment to take the PECS Level 1 or PECS Level 2 Knowledge Examination and repayment of the associated fees is required.

Video and Written Requirements

Evaluation is based on the skills assessments and checklists that are included in the acceptance packets for each level of certification and the online PECS Portal. A "passing" mark (based on pass/resubmit criteria) on each portion of the demonstrations and written assignments is given. Should requirements for certification not be met on the initial submission, two (2) opportunities for resubmission are permitted and must be resubmitted within two (2) months of receiving feedback. Should the work still be deemed unsatisfactory, Pyramid Educational Consultants will recommend remedial steps for continuing the PECS Certification Program. These steps must be completed before the certification process can continue. All assignments must be completed satisfactorily within one (1) year of the application date. Failure to complete the requirements within this time frame will require re-enrollment in the program as well as repayment of the associated fees. ***Pyramid reserves the right to add or delete requirements, if deemed necessary based on the quality of submissions.***

Certification is a voluntary credentialing process to assess and measure one's competency in the PECS teaching protocol and a basic understanding of the Pyramid Approach to Education. I understand that noncompliance with the above and/or infringement of the intellectual property of Pyramid Educational Consultants will result in the revocation of my certification status and possible legal action to protect said intellectual property.

I hereby certify that I will participate in the PECS Certification Program in a professional manner and adhere to all guidelines and requirements specified by Pyramid Educational Consultants.
